Expert nomination panels guarantee People of Today is uniquely current and trusted and encompasses over 40 sectors, from academia, law and business to charity, sport and the arts.

For nearly fifty years, Sara Somers suffered from untreated food addiction. In this brutally honest and intimate memoir, Somers offers readers an inside view of a food addict ' s mind, showcasing her experiences of obsessive cravings, compulsivity, and powerlessness regarding food. Saving Sara chronicles Somers ' s addiction from childhood to adulthood, beginning with abnormal eating as a nine-year-old. As her addiction progresses in young adulthood, she becomes isolated, masking her shame and self-hatred with drugs and alcohol. Time and again, she rationalizes why this time will be different, only to have her physical cravings lead to ever-worse binges, to see her promises of doing things differently next time broken, and to experience the amnesia that she—like every addict—experiences when her obsession sets in again. Even after Somers is introduced to the solution that will eventually end up saving her, the strength of her addiction won ' t allow her to accept her disease. Twenty-six more years pass until she finally crawls on hands and knees back to that solution, and learns to live life on life ' s terms. A raw account of Somers ' s decades-long journey, Saving Sara underscores the challenges faced by food addicts of any age—and the hope that exists for them all.

A well-rounded guide covering the techniques and skills needed to succeed in catamaran sailing, for those starting out through to those striving for championship wins. Whether you are a youngster choosing your first cat, a club sailor looking to improve your results, or a seasoned racer embarking on a higher performance model, expert advice from Tom & Brian Phipps will take your catamaran sailing to the next level. Beginning with key theory and seamanship skills, the Phipps take you through your early sailing experiences and caring for your catamaran. Developing your skills on all points of sailing, you will be introduced to trapezing, race tuning and racing itself. As your confidence grows you move onto advanced techniques and high performance catamarans. The final section gives you a glimpse of the cutting edge of catamaran sailing with foiling platforms and solid wings. 30 focussed chapters are packed with over 350 photographs showing you exactly how it ' s done, with diagrams illustrating key boat parts, the various points of sailing and complex on-the-water scenarios with clarity. Whatever your background, your current level or the extent of your ambition, this book gives you all the tools you need to get out on the water and improve your catamaran sailing.

From 1986 until its closure, Chris Limb ran the official Toyah Willcox Fan Club Tellurian as well as designing and selling merchandise during Toyah's extensive tours in the early nineties.This is not that story.This is the story of what happened before. It began on a darkwinter's night at the tail end of 1979 when a nerdy 14 year oldboy watched an episode of the BBC's detective show Shoestring and realised that there was more to life than Blake's Seven/Star Wars crossover fanzines...

With great recipes for meats, sauces and rubs mixed with ideas for pickles, slaws, puddings and cocktails, plus features on meats, equipment and methods, the Pitt Cue Co. Cookbook is your guide to enjoying the best hot, smoky, sticky, spicy grub all year round. From Pitt Cue's legendary Pickle backs and bourbon cocktails, to their acclaimed Pulled pork shoulder; Burnt ends mash; Smoked ox cheek toasts with pickled walnuts; Lamb rib with molasses mop and onion salad; Chipotle & confit garlic slaw; Crispy pickled shiitake mushrooms; Toffee apple grunt; Sticky bourbon & cola pudding and so much more, it's all irresistibly delicious food to savour and share.

1996 Minnesota Book Award winner — A Native American book The heart of the Native American experience: In this 1996 Minnesota Book Award winner, Kent Nerburn draws the reader deep into the world of an Indian elder known only as Dan. It ' s a world of Indian towns, white roadside cafes, and abandoned roads that swirl with the memories of the Ghost Dance and Sitting Bull. Readers meet vivid characters like Jumbo, a 400-pound mechanic, and Annie, an 80-year-old Lakota woman living in a log cabin. Threading through the book is the story of two men struggling to find a common voice. Neither Wolf nor Dog takes readers to the heart of the Native American experience. As the story unfolds, Dan speaks eloquently on the difference between land and property, the power of silence, and the selling of sacred ceremonies. This edition features a new introduction by the author, Kent Nerburn. " This is a sobering, humbling, cleansing, loving book, one that every American should read. " — Yoga Journal If you enjoyed Empire of the Summer Moon, Heart Berries, or You Don ' t Have to Say You Love Me, you ' ll love owning and reading Neither Wolf nor Dog by Kent Nerburn.

On the last day of her mother's life, Rebecca learns she has a family in Cornwall, and sets out to find the grandfather and cousin she has never known. But only the enigmatic Joss Gardner, the outsider who seems to be the apple of her grandfather's eye, can help her understand the dark currents that lie behind her family's loving reception, in The Day of the Storm. When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another-the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us...

Scores of nineteenth-century expeditions battled savage cold, relentless ice and winter darkness in pursuit of two great prizes: the quest for the elusive Passage linking the Atlantic and the Pacific and the international race to reach the North Pole. Pierre Berton's #1 best-selling book brings to life the great explorers: the pious and ambitious Edward Parry, the flawed hero John Franklin, ruthless Robert Peary and the cool Norwegian Roald Amundsen. He also credits the Inuit, whose tracking and hunting skills saved the lives of the adventurers and their men countless times. These quests are peopled with remarkable figures full of passion and eccentricity. They include Charles Hall, an obscure printer who abandoned family and business to head to a frozen world of which he knew nothing; John Ross, whose naval career ended when he spotted a range of mountains that didn't exist; Frederick Cook, who faked reaching the North Pole; and Jane Franklin, who forced an expensive search for her missing husband upon a reluctant British government. Pierre Berton, who won his first Governor General's award for The Mysterious North, here again gives us an important and fascinating history that reads like a novel as he examines the historic events of the golden age of Arctic exploration.
