A history of the United States in the twentieth century, featuring sociological and cultural events, as well as strictly historical, and using many pertinent literary excerpts.

American history text includes multimedia connections to the Internet, CD-ROM, and videodisc technology. Middle school level.

Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills.

"Despite measured success of American public schools, the media, politicians, and big business attack public schools and their teachers with inaccuracies that threaten the equal opportunities provided by public education. Research indicates that No Child Left Behind, charter schools, and vouchers do not improve students learning or help educators teach better. The book provide reasons to support American public schools and educators"--
