Auschwitz: The Nazis and 'The Final Solution' - Wikipedia

Rees uses Auschwitz as a window through which to examine the Holocaust in its broader context.He argues that, far from being an aberration, the camp was a uniquely important institution in the Nazi state, one that played a vital role in the 'Final Solution'. "Auschwitz" examines the mentality and motivations of the key Nazi decision makers, and perpetrators of appalling crimes speak here for the first time about their actions.

Auschwitz: The Nazis and the Final Solution | Yesterday

Yet few know the true and surprising history of this most infamous place, nor how it fitted into the Nazis' overall plan for the mass extermination of the Jews - what they called the 'Final Solution'. For Auschwitz, via its destructive dynamism, became both a microcosm of the Nazi State and the logical consequence of Hitler's warped worldview.

The year 1942 is to be the most significant of 'the Final Solution' as the Nazis now begin to comb western Europe, even taking Jews from as far afield as the British Channel Islands. S1, Ep4 1 Feb. 2005

Auschwitz: The Nazis and the Final Solution

Insights gleaned from more than one hundred original interviews shed new light on history's most notorious death camp, with the testimonies of survivors providing a detailed portrait of the camp's inner workings.

Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel. . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp. Last Stop Auschwitz is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

The camps at Auschwitz-Birkenau were an important part of the Nazis' final solution to the Jewish question. Over one million people were murdered in its gas chambers and tens of thousands of prisoners were worked to death in the nearby sub-camps. Others were held in the quarantine area before they were deported to work in the Third Reich.This is the story of the development of Auschwitz from a Polish prison camp into a concentration camp, and a thorough account of the building of Birkenau and the gas chambers, which grew into industrial killing machines. Rawson relates what life was like for prisoners, revealing where the unsuspecting new arrivals came from and how they were greeted at the camp with the humiliating selection process; how many were tricked into entering the gas chambers, while others were stripped of their identity and put to work; how prisoners struggled to survive on a poor diet and no health care; how they faced a grinding daily routine with frequent punishments; and how the camps were organized from the commandants, their assistants and the guards, to the kapos and stuben who supervised work parties and the barracks. He details how a few brave souls tried to resist, how even fewer made a break for freedom and the heartbreaking story of liberation and life afterwards. There are instructions on how to get to nearby Krakow an ideal base and Auschwitz-Birkenau. Information on how best to spend your time there is also included, making this an invaluable book that is both a vivid account of life in the concentration camps and an essential guide for visitors who want to explore the past of this notorious site.

David Cesarani's Final Solution is a magisterial work of history that chronicles the fate of Europe's Jews. Based on decades of scholarship, documentation newly available from the opening of Soviet archives, declassification of Western intelligence service records, as well as diaries and reports written in the camps, Cesarani provides a sweeping reappraisal that challenges accepted explanations for the anti-Jewish politics of Nazi Germany and the inevitability of the "final solution." The persecution of the Jews, as Cesarani sees it, was not always the Nazis' central preoccupation, nor was it inevitable. He shows how, in German-occupied countries, it unfolded erratically, often due to local initiatives. For Cesarani, war was critical to the Jewish fate. Military failure denied the Germans opportunities to expel Jews into a distant territory and created a crisis of resources that led to the starvation of the ghettos and intensified anti-Jewish measures. Looking at the historical record, he disputes the iconic role of railways and deportation trains. From prisoner diaries, he exposes the extent of sexual violence and abuse of Jewish women and follows the journey of some Jewish prisoners to displaced persons camps. David Cesarani's Final Solution is the new standard chronicle of the fate of a heroic people caught in the hell that was Hitler's Germany.

An innovative and thorough history of how Hitler's war to eliminate Europe's Jews and the Wehrmacht's war versus the Allies were in conflict with each other to the material detriment of the latter.

Blatman writes about the end phase of the German concentration camp system when the Nazis, realizing that they were losing the war, were faced with the enormous problem of what to do with the people being held captive. As these camps were being evacuated, the collapse of the front in Poland and the advance of the Red Army generated frantic waves of flight and the evacuation of millions of civilians and soldiers. The panicky retreat created conditions under which prisoners were murdered in horrific death marches. Gas chambers in faraway camps were no longer in use, and now the slaughters took place on the very doorsteps of ordinary German civilians' homes and in the streets German and Austrian towns. Unknown numbers of ordinary civilians across the dissolving Reich, fearing for the fate of their families and property, participated in the lethal eruption of violence. The book is divided into two sections. The first part provides an detailed overview of the camp system and a thorough chronological treatment of the camp evacuations during the winter of 1944-45 and the spring of 1945. The second part is a case study of the atrocity in the German town of Gardelegen where over 1000 prisoners were murdered, along with about 400 in the surrounding villages. This event serves as a focused example of the breakdown of the evacuation plans at the end of the war.

"... Frightening."----Timothy Plack, formerly of Stars & Stripes --

World War II Auschwitz Auschwitz is a monument to the barbaric inhumanity of the Nazi regime. It is the site where more than one million people were systematically tortured and killed in support of Adolf Hitler's determination to eradicate entire populations that he viewed as racially impure. Dr. Josef Mengele conducted horrific experiments on live victims, treating his subjects as if they weren't human. The Jews, homosexuals, Communists, Jehovah's Witnesses, and the mentally and physically disabled were less than human to the Nazis. The "Final Solution," a cornerstone of Nazi ideology, enacted a devastating sentence upon people whose only crime was their ethnic origin or their religious and political beliefs. But the voices of Auschwitz continue to be heard. Anne Frank's diary speaks for all the innocent who were sent there. Elie Wiesel spent his life speaking out against the horrors he and others endured at Auschwitz. The recorded histories of the survivors of the camps keep the memories alive for generations whose only knowledge of the Holocaust would otherwise be through a school assignment to read the Diary of Anne Frank or by watching a movie like Schindler's List. Auschwitz holds a bizarre fascination for those who hear about it: how could such evil thrive? How could an entire nation surrender to the rantings of a diabolical man who sought revenge against the followers of a religion? The names reverberate in a gallery of maniacs who purpoed to be leaders: Hitler, Goebbels, Mengele, Goering, Himmler, and the countless others who supported them. Inside you will read about... - Adolf Hitler and the Preservation of the Aryan Race - The Nazis in Charge - The Final Solution to the Jewish Question - The Angel of Death - Life in Auschwitz - Liberation and Judgment And much more! Germany today is staunch in its refusal to allow Nazism to thrive. The nation that built Auschwitz and employed its Final Solution is now the country that has enacted legislation to prevent the Holocaust from being repeated. But hatred is contagious. As Martin Luther King, Jr. once observed, Adolf Hitler operated within the law when he committed his vile acts. They were laws that he created. Evil can triumph if people allow it to do so. Today, Auschwitz is a museum where people can see for themselves the terrible extent to which humanity can hate. But Auschwitz is also a warning to subsequent generations. Do not be fooled into thinking that any ethnic group, any nation, any religion is safe. When demagoguery and prejudice are allowed to legislate their evil, genocide becomes a solution to a problem rather than an unthinkable act. It happened once; it can happen again. The survivors and the victims alike want their story to be told, lest we forget.

This book answers two fundamental questions about the Holocaust. How, and why, did it happen? Laurence Rees' masterpiece is revealing in three ways. First, it is based not only on the latest academic research, but also on 25 years of interviewing survivors and perpetrators, often at the sites of the events, many of whom have never had their words published before. Second, the book is not just about the Jews - the Nazis would have murdered many more non-Jews had they won the war - and not just about Germans. Third, as Rees shows, there was no single 'decision' to start the Holocaust - there was a series of escalations, most often when the Nazi leadership interacted with their grassroots supporters. Through a chronological narrative, featuring the latest historical research and compelling eyewitness testimony, this is the story of the worst crime in history.

German memory, judicial interrogation, and historical reconstruction : writing perpetrator history from postwar testimony / Christopher R. Browning -- Historical emplotment and the problem of truth / Hayden White -- On emplotment : two kinds of ruin / Perry Anderson -- History, counterhistory, and narrative / Amos Funkenstein -- Just one witness / Carlo Ginzburg -- Of plots, witnesses, and judgments / Martin Jay -- Representing the Holocaust : reflections on the historians' debate / Dominick LaCapra -- Historical understanding and counterintentionality : the Judenrat as epistemological vantage / Dan Diner -- History beyond the pleasure principle : some thoughts on the representation of trauma / Eric L. Santner -- Habermas, enlightenment, and antisemitism / Vincent P. Pecora -- Between image and phrase : progressive history and the "final solution" as dispossession / Sande Cohen.; Science, modernity, and the "final solution" / Mario Biagioli -- Holocaust and the end of history : postmodern historiography in cinema / Anton Kaes -- Whose story is it, anyway? : ideology and psychology in the representation of the Shoah in Israeli literature / Yael S. Feldman -- Translating Paul Celan's "Todesfuge" : rhythm and repetition as metaphor / John Felstiner -- "The grave in the air" : unbound metaphors in post-Holocaust poetry / Sidra DeKoven Ezrahi -- The dialectics of unpeackability : language, silence, and the narratives of desubjectification / Peter Haidu -- The representation of limits / Berek Lang -- The book of the destruction / Geoffrey H. Hartman.
