~~The BERSERK OFFICIAL GUIDEBOOK is an oddball mash-up of repetitive encyclopedic facts about the long-running Berserk manga series (e.g. a long-winded recap of how magic works in the universe, exhaustive character summary/"stat" sheets, and a general recap of the entire series' plot), genuinely interesting series-related tidbits for super-nerds (including an in-depth interview with Kentaro Miura, shots of his workspace, and character reference sheets), and filler/fluff pieces (like a summary of a~~

The first Berserk novel, conceived by series creator Kentaro Miura and written by Makoto Fukami, novelist and screenwriter for the Berserk anime, Psycho-Pass and Resident Evil: Vendetta. The Flame Dragon Knight also presents ten full-page illustrations by Kentaro Miura. The Flame Dragon Knight traces the rise of the warhammer-wielding warrior Grunbeld from humble beginnings to become the all-powerful Apostle who will one day face Guts in mortal combat! Featuring all the grisly supernatural action and sinister courtly intrigue Berserk readers have come to expect.

Created by Kentaro Miura, Berserk is manga mayhem to the extreme - violent, horrifying, and mercilessly funny - and the wellspring for the internationally popular anime series. Not for the squeamish or the easily offended, Berserk asks for no quarter - and offers none! His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Accompanied by Puck the Elf, more an annoyance than a companion, Guts relentlessly follows a dark, bloodstained path that leads only to death...or vengeance.

Guts the Black Swordsman and his companions brave the open sea, hoping to reach Puck's homeland, Elfhelm, and its powerful elven king, who might be able to restore the sanity of Guts' former lover, Casca. But seeking out a sanctuary for Casca means that Guts must postpone his hunt for his ex-friend and leader, Griffith, who has been reborn as a demon lord hell-bent on conquest. The winds of change

blow fast and hard across the war-torn lands of the Holy See, and if Guts waits too long to exact his vengeance, Griffith might attain his murderous goals before Guts can return to Midland to stop him!

Desperate to find a sanctuary where his lover, Casca, will be safe from the demons drawn to her Brand of Sacrifice, Guts the Black Swordsman pushes his motley band of followers onward towards fairy Puck's homeland, Elfhelm. With new allies who make their home in a mystically guarded woodland paradise, Guts' goal seems within reach, but danger lurks in the shadows of even the most dazzling utopias, and even fairy witchery may not protect the wondrous kingdom from an army of marauding, murderous trolls! Created by Kentaro Miura, Berserk is a runaway manga locomotive, a crashing colossus of teeth-rattling action, spine-chilling horror, and taboo-breaking humor that fires the boilers of its devoted devotees and burns the rest. Ashes to ashes!

The Black Swordsman Guts' former captain and lover, Casca, has been taken by the Holy Iron Chain Knights to the "Tower of Conviction" of the fanatic torturer of the Holy See, Mozgus, who plans to treat the rumored witch to the proper agonies of the damned, but Guts is on his way to rescue Casca and dish out some chastisement of his own on any who get in his way. But forces in the demonic realms are in motion and are being drawn to the torture tower in what may be a prelude to a second Eclipse and an unprecedented release of malign spirits into the world!

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the dreamworld dangers are no mere phantasms of the unconscious--they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.
