Crisis of Character : A White House Secret Service Officer ...

Life at the Clinton White House careened from crisis (manufactured or not) to even greater crisis, the participants often unable to catch their breath and certainly incapable of learning from them. The Clinton White House atmosphere alternated from hilarity to bitter anger, lurching from nerves-on-end tension to sheer boredom, its most important residents painfully trapped between illusion and reality.

A Complete Summary of Crisis of Character: A White House Secret Service Officer Discloses His Firsthand Experience Crisis of Character is an autobiographical book written by Gary J. Byrne. Byrne writes about the time that he spent as a member of the American Secret Service, the events he witnessed there (during the time of President Bush Sr. and Bill Clinton), and the challenges he faced during his service. Before he starts describing his service, the author briefly introduces his readers to his childhood and the events that eventually lead towards his joining the Secret Service. Crisis of Character is an entirely true story. This means that everything that the author wrote is about things that happened during his time spent in the Secret Service (and real-life events before that). A good read. Crisis of Character is a book that shows its readers another perspective, with both autobiographical and retrospective view-points, where the author manages to show to his readers his impressions, beliefs and actions prior to and after certain events (most notably the event of the World Trade Center disaster). This summary consists of several parts. After the introduction comes the summary section. After the summary section there is a character analysis, an analysis of the entire book, and a short quiz (with answers) where readers can test their knowledge about the book. At the end there will be a conclusion where we review everything we have discussed. So let's get started. Here Is A Preview Of What You Will Get: - In Crisis of Character, you will get a summarized version of the book. - In Crisis of Character, you will find the book analyzed to further strengthen your knowledge. - In Crisis of Character, you will get some fun multiple choice quizzes, along with answers to help you learn about the book. Get a copy, and learn everything about Crisis of Character .

CRISIS OF CHARACTER: A White House Secret Service Officer Discloses His Firsthand Experience With Hillary, Bill and How They Operate | SUMMARY & Key Points with BONUS Critics Review - NOT ORIGINAL BOOK The Secret Service is the most elite crime fighting population on the earth. Its protocols and training make it the most successful leadership protection group of all time. Gary Byrne has been through it all. He has witnessed infidelity, temper tantrums, broken White House furniture, and many other things he doesn't desire to do. For years he saw the White House and the Office of the President crumble as the Clinton Administration bumbled its way through 8 years of improprieties. Inside this Slim Reader Review: Summary of Each Chapter Highlights (Key Points) BONUS: Free Report about The Tidiest and Messiest Places on Earth - http://sixfigurateen.com/messy

Argues that the Clinton administration bypassed established security checks to bring in unsuitable associates, and discusses later cases of possibly inappropriate behavior

From the author of the #1 New York Times bestseller CRISIS OF CHARACTER comes an explosive new exposé of the Secret Service. The United States Secret Service is tasked with protecting our Presidents, their families, and the complex in which they live and work. Given this important mission, world stability rests upon the shoulders of its agents. In his new book, former Secret Service officer Gary Byrne takes readers behind the scenes to understand the agency's history and today's security failings that he believes put Americans at risk. The American public knows the stories of Secret Service heroism, but they don't know about the hidden legacy of problems that have plagued the agency ever since its creation. Gary Byrne says that decades of catastrophic public failures, near misses, and bureaucratic and cultural rot threaten to erode this critical organization from the inside out. Today, as it works to protect President Trump, the Secret Service stands at a crossroads, and the time needed to choose the right course is running out. Agents and officers are leaving the Secret Service in droves, or they're being overworked to the point where they lose focus on the job. Management makes decisions based on politics, not the welfare of their employees. Byrne believes that this means danger for the men and women of the Secret Service, danger for the President they protect, and danger for the nation. In this book, he shares what he has witnessed and learned about the Secret Service with the hope that the problems of this most important agency can be fixed before it's too late.

Offers a way for executives to immunize themselves and their companies against financial breakdowns that can happen to even the most prominent organizations, in a book that draws from real-life examples to show how corporate strategy must shift to deal with globalization and all the standards that come with it.

As seen on Newsmax TV! Featured in the New York Post and FoxNews.com! A compelling insider's look at a political marriage that tore apart the nation and almost destroyed a presidency/from the woman who saw it all happen. In this brilliantly written behind-the-scenes account, Linda Tripp along with her co-author, Dennis Carstens, shares her side of the Clinton White House sex scandals for the first time/detailing the behavior of two very flawed people who fooled a nation: Bill Clinton, a sexual predator, and his wife, Hillary, who was his primary enabler. In this exposé, Tripp outlines what the public was not allowed to see: the lengths Clintons' protectors would go to lie, deceive, and coverup for them; some of the many women Bill Clinton used his position, privilege, and power as president to sexually abuse; how the former president got away with it thanks to his morally bankrupt, unscrupulous wife and cabal of protectors; and finally, the role party politics played when he was called to task and was almost the first president to be removed from office for perjury and corruption.

What happens when life, so to speak, strikes the President of the United States? How do presidents and their families cope with illness, personal loss, and scandal, and how have such personal crises affected a president's ability to lead, shaped presidential decision-making in critical moments, and perhaps even altered the course of events? In asking such questions, the essays in this volume -- written by twelve leading scholars noted for their expertise on their respective subjects -- reveal alternately the frailty, the humanity, and the strength of character of some of America's most controversial presidents. Three of them deal with the death of children--the impact of the loss of a young son on Franklin Pierce, Abraham Lincoln, and Calvin Coolidge. Another shows how, when his father suffered a stroke, John F. Kennedy lost his most important adviser as the crisis in Cuba loomed. Three essays tell stories about notorious, self-inflicted scandals during the presidencies of Andrew Jackson, Richard Nixon, and Bill Clinton. Several of them focus on the effects of disability or illness in the Oval Office -- on Woodrow Wilson's stroke at the end of World War I; Franklin Roosevelt's paralysis while leading the country through the Great Depression and World War II; Ronald Reagan's struggles and changed priorities in the wake of an assassination attempt; and the bearing of depression and personality disorders of one kind or another on the actions Jackson, John Tyler, Lyndon Johnson, and Richard Nixon during their crucial years in office. While illuminating a considerable span of American history and providing new and significant analyses of American politics and foreign policy, these fascinating essays remind us about the personal side of presidential leadership, and that tomorrow is promised to no one.
