You've always wanted to learn the piano. You know it will make you a better songwriter or a better producer. Perhaps you've tried to learn but were put off by cumbersome classical methods which teach you everything but what you really want - the ability to write the song you hear in your head. This book is written with the songwriter and music producer in mind. It was written by a producer/songwriter with years of experience teaching fellow creatives. It strips away all of the unnecessary fluff and helps a complete beginner get to a competent performance level in as little time as possible. With this book you will develop the skills you need to:

- Quickly identify any note on the piano or keyboard
- Accompany yourself on the piano at live performances
- Strengthen your songwriting with impactful chord arrangements
- Determine the key of a song
- Evolve from beat maker to music producer through knowledge of chord progressions
- Transpose your arrangements to different keys
- Understand music theory without getting lost in complex details

This book is perfect for -

- Songwriters
- Singer / Songwriters
- Hip Hop, R&B and Pop Music Producers
- Rock Band
