Errant Gods marks the inaugural reading endeavor I've undertaken with author Erik Henry Vick at the helm.

Book Review: Errant Gods (Blood of the Isir #1) - Author ...

Errant Gods is the first book in the Blood of the Isir series. As such, there is much time devoted to building up the characters and their worlds. The mythology here is a hodgepodge of fantasy staples, most related to Norse and European myths, including Thor, dragons, and dwarfs.

Review of Errant Gods (9780999079515) — Foreword Reviews

Errant Gods (Blood of the Isir Book 1) Erik Henry Vick (Author) (44)Buy new: \$0.99 Best Sellers in Horror s current rank.)

Hank Jensen doesn't believe in monsters--not the kind Stephen King writes about at any rate. Hank is one of New York's best criminal profilers, and he loves his job. But when he meets the Bristol Butchers, all that changes. They are a pair of psychopaths--cannibals. He chases them in spite of the disabling curse they cast on him, in spite of their threats to his family, and when he catches up to them, his horror begins. They claim to be gods--immortal, omnipotent--and they change into monsters before his eyes. Unable to stop them, the battle leaves him sick, despondent, broken. His career is at an end. His only respite is his family. Years later, the Butchers return to make good on their threats. When his family disappears on Halloween night, Hank decides his time for doing nothing is at an end. He must chase them to places he thought existed only in myth. He knows they have the power to raise monsters, mythical beings--even the dead--to block his path. How can he, a disabled mortal, overcome gods? How will he overcome his disability, his doubts? Pick up your copy of Errant Gods today and find out

A professor of classics and visiting scholar at the Harvard Divinity school presents modern interpretations of traditional Greek and Roman myths that render classic themes accessible to a new generation of readers. By the author of Alexander the Great.

Iconoclast David F. Noble traces the evolution and eclipse of the biblical mythology of the Promised Land, the foundational story of Western Culture. Part impassioned manifesto, part masterful survey of opposed philosophical and economic schools, Beyond the Promised Land brings into focus the twisted template of the Western imagination and its faith-based market economy. From the first recorded versions of 'the promise' saga in ancient Babylon, to the Zapatistas' rejection of promises never kept, Noble explores the connections between Judeo-Christian belief and corporate globalization. Inspiration for activists and students alike.

Errant Blood is a literary crime thriller by a startling new Scottish writer. The story follows Eamon Ansgar, war veteran and reluctant young laird of Duncul Castle, as he uncovers a plot involving people-trafficking, big pharma, the green energy boom, crypto-archaeology and the Latvian mafia during a rain

soaked winter in the Scottish Highlands. The book explores some of our most troubling contemporary issues with a relentless pace, intricate plot, memorable characters and an epic finale. It is the first in series set in and around the Highland village of Duncul.

This is the story of Lady Sarah Cowper, based on a diary that she kept from 1700 to 1716. She reveals not only her personal life, but also her thoughts about religion, politics, and society, weaving her own words with unattributed quotations from conduct manuals, sermons, periodicals, and other sources.

Reproduction of the original: The Fool Errant by Maurice Hewlett

On Friday, October 13, 1307, Phillip the Fair of France betrayed and arrested the cream of the Knights of the Temple. However, before he could recover their vast amounts of wealth and Holy Relics, these items vanished into the mists of history. This is the story of what really happened to the treasure and how it was rescued from his unworthy clutches. The book relates how our heroes in time, Raza, Beauregard, Ramon, and Alice, managed to spirit it away, evading the king's men and various natural barriers as they travel on the great rivers of Europe to freedom."

"Readers who love myth and magic will devour it!" —Alex Flinn, #1 New York Times bestselling author of *Beastly* "Fantasy just the way I like it." —Cinda Williams Chima, New York Times bestselling author of *The Seven Realms* series Fantasy, magic, royalty and danger swirl together in *Voice of Gods*, the ebook prequel to *Legacy of Kings* by New York Times bestselling author Eleanor Herman! As the end of an age approaches, gods whisper horrors, families scheme for power and one woman may hold the secret to a lost legacy. At nineteen, Ada of Caria yearns to take the Snake Blood throne from her mad older siblings. She seeks the help of a young orphaned girl named Helen, the first True Oracle to have walked the earth in more than three hundred years. Helen may be able to channel the voice of the gods, but she hates her gift and will do anything to get rid of it—even lie to her best friend, Myrtale, the priestess-princess of Epirus who is destined to marry King Philip II of Macedon even though she loves another. And in the shadows lurks a handsome green-eyed stranger who has more at stake—and more to lose—than anyone could possibly imagine. Amid jealousy and heartbreak, torrid affairs and secret rendezvous, it is spoken by the gods that either Helen or Myrtale—newly named Olympias—will carry the destiny of the known world within her womb. The prequel to *Legacy of Kings*, *Voice of Gods* traces the intricate web of love and betrayal that led up to the birth of history's most powerful leader, Alexander the Great.

Tavore Paran struggles to hold her army together in order to combat a fearsome alien force, while the gods threaten to once again unleash dragons to destroy the world.
