Marketing Of
Marine
Products Dhaze

Definition of Export
Marketing. Export
marketing is the
practice by which a
company sells
products or
services to a
foreign country.
Products are
produced or
distributed from
the company's
home country to
buyers in

Marketing Of
locations. But there
is a difference
between products
that are available
to foreign countries
and products that
are specifically
marketed to
foreign customers.

MPEPC played the role of promoting and developing export of marine products and subsequently seafood export promotion has become an integral part of policy frameworks of the Government of India. The port of Cochin, which

Download Free Export

handled about 60% of seafood exports in those days, made Cochin the ideal home for the MPEPC to set up its base.

The term “fishing industry” in this article represents the activities of marine fisheries and the processing and exporting of marine products. After the posting of the questionnaires, it came to the author’s knowledge that two of the 60 firms interviewed

Download Free Export

and which were
sent the
questionnaires, had
ceased operation.
