Film Curatorship is an experiment: a collective text, a montage of dialogues, conversations, and exchanges among four professionals representing three generations of film archivists and curators. It calls for an open philosophical and ethical debate on fundamental questions the profession must come to terms with in the twenty-first century.

Austrian Film Museum Books: Film Curatorship: Archives ...  
Rather than being disinterested "keepers of the frame", the authors advocate active curatorship and decision-making about the objects being collected, preserved, and exhibited. In fact, cinémathèques, film museums, and even film archives have long curated film programs and exhibitions. But the issue seems to be selection.
