So unlike the States, where anyone can buy a boat and go out motoring or sailing, in Japan you must have a license, a government approved and tested lic. An exam is given on the water and on paper. For the most part it is the same as in the States for a USCG lic or the several levels of ASA boating. The class consist of 4 days of classes and test. The first day is on the water, handling the boat, safety, docking , undocking, motor and equipment check.
