~~Ink & Paint Documentary Coming To Disney+ | What's On ...~~

The idea that women would be allowed to paint nudes - especially male nudes - from life was shockingly improper. Drawing from life is key to learning how to paint realistic human bodies, and you'll notice that most of the 'Great' works from before advent of modernism feature full-length figures, particularly in religious scenes.

~~Where are women in the history of art ... Women's ...~~

Highlighting the determination and passion that moved women out of the ink & paint department and into the role of animator and beyond, the series seeks to inspire the next generation of animation storytellers, while questioning the inequality between men and women within the creative workforce of animation.

~~The Ink and Paint Girls Podcast~~

Hundreds of women were employed in the Ink and Paint department, working from the early hours of the morning until late at night. The lunch break was short, many girls fell asleep anywhere they ...

Established in October 1923, the Ink & Paint Department set up shop at the first Disney studios on Kingswell Avenue in Los Angeles before moving to the Disney Hyperion Studio, and finally to the Burbank Studios in 1940. At the height of production, the staff was comprised primarily of women, numbering more than 250 artists and technicians.

Today, this vital division continues with a small number of talented artists who keep the hand-made magic alive, even with the advent of 3-D animation. In this glossy volume, featuring never-before-seen photos, artwork, and detailed accounts, the process, techniques, and contributions of the women-and men-who defined the Walt Disney Studio's legendary Ink & Paint Department over the years are carefully explored, preserved, and shared for future generations.

From the bestselling author of *Rise of the Rocket Girls*, the untold, "richly detailed" story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, *New York Times* bestselling author of *Hidden Figures*). From *Snow White* to *Moana*, from *Pinocchio* to *Frozen*, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often ruthless male-dominated industry and who have slipped under the radar for decades. In *The Queens of Animation*, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and based on extensive interviews and exclusive access to archival and personal documents, *The Queens of Animation* reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering *Frozen*, Disney's first female-directed full-length feature film. A Best Book of 2019: *Library Journal*, *Christian Science Monitor*, and *Financial Times*

Based on Mindy Johnson's critically acclaimed Disney Editions title, *Ink & Paint: The Women of Walt Disney's Animation*, this nonfiction picture book is a fun and inspiring look at many of the amazing women who have worked at Disney Animation over the years--from Story Artists, to Animators to Inkers and Painters, all with unique personalities and accomplishments, such as becoming a record-holding pilot, or designing Hollywood monsters, or creating an international club for tall people!

What happens when a mouse that loves to paint meets a cat that loves to draw? At first enemies, and then reluctant friends, the two learn to work together and use their wits and art techniques to join forces to create beautiful works of art. *Scribbles & Ink* inspires children to doodle and draw with their parents and friends, showing that working together with someone different than ourselves can still make great artwork. With step-by-step instructions guiding the two artists to first paint and then draw, children and their parents can work together to create doodled scenes and drawings. Activities include

drawing and painting a variety of doodled animals and people, with funny side commentary from the ever-arguing Scribbles the cat and Ink the mouse. Disaster-piece becomes masterpiece with this concealed spiral-bound book with enclosed watercolor paints and colored pencils, teaching children not only about creativity and self-expression, but also about sharing, patience, and working together as a team. As a bonus, two fold-out, removable posters are bound into the back of the book for young artists to create their final masterpieces using the painting and drawing techniques they've learned throughout the book. Chock-full of action and step-by-step illustrations, Scribbles & Ink is a must-have for young artists eager to learn about friendship and the benefits of teamwork.

Capture the beauty and charm of wonderful weathered buildings! Paint may fade and iron may rust, but the character of buildings strengthens with age. Join Claudia Nice as she shows you how to portray the mellow hues, weathered wood, cracked windowpanes and other imperfections that make old buildings perfectly wonderful subjects to paint. painting. Sumi-e: The Art of Japanese Ink Painting provides step-by-step, photo-by-photo instructions to guide learners in the correct form, motions and techniques of Japanese sumi-e painting. Featuring gorgeous images and practical advice, it includes guided instructions for 35 different paintings. From waterfalls to bamboo, learners paint their way to understanding sumi-e—a style of painting that is characteristically Asian and has been practiced for well over 1,000 years. Although it's sometimes confused with calligraphy, as the tools used are the same, sumi-e instead tries to capture the essence of an object or scene in the fewest possible strokes. This all-in-one resource also provides a timeline of brush painting history, a glossary of terms, a guide to sources and an index—making it a tool to use and treasure, for amateurs and professionals alike. This sumi-e introduction is ideal for anyone with a love of Japanese art or the desire to learn to paint in a classic Asian style.

A guide to Japanese ink painting provides information on techniques and materials needed, along with step-by-step exercises.
