A knight in shining armour is a person, usually a man, who comes to the aid of another, usually a woman, in a gallant and courteous manner. What's the origin of the phrase 'A knight in shining armour'? The present-day use of this phrase is, of course, figurative and refers back to the notion of gallant knights saving fair maidens in distress.

The break-down of Knight in Shining Suit! 1. Why I decided to read the book: It wasn't the dark, pretentious (though only slightly) cover that made me pick this book up which, if you see where I'm coming from, makes you presume a lot of things about the book, erotica/BDSM being on top of that list.
