I recently did an 8 week mindfulness course with a psychotherapist and picked this book up towards the end and then used this book to guide me through another 8 weeks. I basically redid those 8 weeks to re-enforce what I learned from therapy. It follows extremely closely the 8 weeks of formal therapy, so if NHS waiting lists are preventing you from getting some formal help, then this book is an excellent starting point. It assumes no prior knowledge of mindfulness.

Mindfulness of the body and breathing helps us learn to recognize our thoughts, emotions, sensations, and impulses, gather the scattered mind, and return with appreciation to the here and now. We learn that when our attention is caught up in the past or the future, we can get trapped in unhelpful patterns of thinking, feeling, and acting.
