"Coloring the traditional circular designs known as mandalas is a meditative practice, a healing exercise in times of crisis, and a pleasurable act of creativity. As a symbol of the Self, the mandala provides a connection to our innermost being. The forty-eight maandalas presented here ... are organized according to the Great Round of Mandala, a scheme of twelve archetypal stages that represents a complete cycle of personal growth. Inspirations for the designs include forms of nature, Native American and Tibetan sand paintings, Hindu yantras, Turkish mosaics, and the art of M.C. Escher."--Page 4 of cover.
