envision their global society. An innovative, integrated framework provides core sociological concepts, while features such as Contributing to Our Social World enable students to do public sociology. Our Social World: Condensed Version presents the perspective of students living in the larger global world.

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Our Social World: Condensed inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. The award-winning author team organizes the text around the "Social World" model, a

File Type PDF Our Social World Condensed Version

conceptual framework that demonstrates the relationships among individuals (the micro level); organizations, institutions, and subcultures (the meso level); and societies and global structures (the macro level). The use of the Social World Model across chapters (represented in a visual diagram in the chapter openers) helps students develop the practice of using three levels of analysis, and to view sociology as an integrated whole, rather than a set of discrete subjects. The Condensed version is adapted from *Our Social World: Introduction to Sociology*. The Sixth Edition of the Condensed version is made approximately 30% shorter than the full edition by removing selected boxes, editing the main narrative, and combining four chapters into two (Family/Education, and Politics/Economics). Our Social World: Introduction to Sociology inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Organized around the "Social World" model, a conceptual framework that demonstrates the relationships among individuals (the micro level); organizations, institutions, and subcultures (the meso level); and societies and global structures (the macro level), Jeanne H. Ballantine, Keith A. Roberts, and Kathleen Odell Korgen use this framework to help students develop the practice of using three levels of analysis, and to view sociology as an integrated whole, rather than a set of discrete subjects. The Seventh Edition includes new coverage of

File Type PDF Our Social World Condensed Version

climate change, the influence of robots and artificial intelligence on workers, race relations in the Trump era, issues related to transgender identity and gender fluidity, sexual harassment in the workplace and the #MeToo movement, declining marriage rates, the impact of tracking for students at all academic achievement levels, smoking as an example of health and inequality in the US, gun violence and the student movement to control access to guns, social media, and Russian interference in the 2016 election.

Choose this discounted bundle for just \$5 more than the text alone - and get your students talking about the policy implications of key course topics. Our Social World, Condensed Version In this brief

The Third Edition of *Our Social World: Introduction to Sociology* is truly a coherent textbook that inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Key Features: * Offers a strong global focus: A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world. * Illustrates the practical side of sociology: Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence. * Encourages critical thinking: Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology. * Presents "The Social World Model" in each chapter: This visually-

File Type PDF Our Social World Condensed Version

compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts. New to the Third Edition: * Thirty new boxed features, including the innovative 'Engaging Sociology' and 'Applied Sociologists at Work' features * Three substantially reorganised chapters (2. Examining the Social World, 3. Society and Culture, and 13. Politics and Economics) * 315 entirely new references and 120 new photos.

Our bundle prices are lower than the prices of many other intro texts alone! Our Social World, Condensed Version In this brief text, two leaders of the Teaching Sociology movement help students develop their sociological imaginations by teaching them to role-take within their global society, allowing them to experience what it is like to be someone as seemingly remote as a child sex slave in India. An innovative, integrated framework provides core sociological concepts, while features such as Contributing to Our Social World enable students to "do" public sociology. Sociological Snapshots, Fifth Edition The bestselling book introduces students to the world of sociological analysis. Combining abstract sociological concepts with interesting and grounded essays ("snapshots") on issues of contemporary interest, this book helps students discover relevant connections and encourages them to develop a sociological eye.
