Garrett Sutton's Own Your Own Corporation has become the resource to turn to to learn how you as a private citizen can take advantage of incorporating yourself and your business. As we now know, such a move can not only save you thousands and thousands of dollars in taxes, but can also protect your home, savings and family assets from the potential attack of creditors. But since the book's publication in 2001, changes in tax laws and other important regulations have been made that affect those pursuing or having corporation status. Now, in a newly revised and updated edition, readers will find the same indispensable and timeless advice (on topics ranging from management control and avoiding disputes to flexibility of decision-making) and a highly accessible breakdown of all the latest pertinent legal developments and how they affect you.

" I ' ve set up my corporation. Now what do I do? " All too often business owners and real estate investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don ' t know what to do next. " Run Your Own Corporation " provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad ' s Advisor Garrett Sutton, Esq., who also authored the companion edition " Start Your Own Corporation " , the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, " Run Your Own Corporation " is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, " Run Your Own Corporation is the missing link for most entrepreneurs. They ' ve set up their entity, but don ' t know the next steps. Garrett Sutton ' s book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading. " When " Start Your Own Corporation " is combined with " Run Your Own Corporation " readers have a two book set that offers the complete corporate picture.

We live in a highly litigious world. As you live your life you must keep your guard up. As you grow your wealth you must protect it. The Loopholes of Real Estate reveals the tax and legal strategies used by the rich for generations to acquire and benefit from real estate investments. Clearly written, The Loopholes of Real Estate shows you how to open tax loopholes for your benefit and close legal loopholes for your protection.

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, " Good debt makes you rich and bad debt makes you poor. " The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad ' s Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. " The reason Garrett Sutton ' s book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives. " - Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

"Designed for entrepreneurs and individuals interested in starting their own business, this book provides an indepth study of how the special characteristics of limited partnerships and limited liability companies may be used to your advantage and to assist you in protecting assets, managing wealth and strategic estate planning to minimize taxes. It features strategic uses of limited liability companies and limited partnerships to hold real estate and other assets, how to easily manage and operate a limited liability company or limited partnership, how to creatively plan for your future and your family's future, and how to follow the rules to keep your assets protected."-Publisher description.
