Principle 2: Profitability. Banks are not NPOs – Not for Profit Organisations. Banks are very much a commercial organization – with aim to earn profit. Even though banks have been established to do ‘ good ’ for the people, it needs to make profits and the more – the better! Here ’ s why!

Principles of Core Banking - BankExamsToday

We regulate more than 10,000 firms providing financial services in Ireland and overseas. This regulation is undertaken through risk-based supervision, underpinned by a credible threat of enforcement. Our objective is to ensure financial stability, consumer protection and market integrity. To do this, we have a range of regulatory powers in the areas of authorisation, supervision and enforcement.

expect all those that we regulate to uphold. This includes all individuals we authorise to provide legal services (solicitors, RELs and RFLs), as well as authorised firms and their managers and employees. For licensed bodies, these apply to those individuals, and the part of the body (where applicable), involved in delivering the services we regulate in accordance with the terms of your licence.
