### Tappi Useful Methods Guidelines Revised November 2013

Updates to Useful Methods. Effective March 1, 2011, the set of TAPPI Useful Methods will only contain those methods which have been reviewed and issued in accordance with the new Useful Method guidelines as established in October 2010 by the Quality and Standards Management Committee. The Useful Methods are part of the CD-ROM issued annually by TAPPI that also contains the Standards and the Technical Information Papers (TIPs).

### Updates to Useful Methods - TAPPI

TAPPI Standards are normally updated a minimum of twice a year, following one of the meetings of the Standards Advisory Review Group (SARG). The SARG is the final approval stage on a new or revised method, so groups of revisions will be added to the set following the SARG meetings.

### Updates to TAPPI Standards CD

TAPPI Standards\* are developed through the consensus of a technical working group acting in accordance with the procedures described in our guidelines.
