My Little Pony: The Journal of the Two Sisters: The ...
It is located deep within the Everfree Forest and, according to The Journal of the Two Sisters, was built by the princesses, Melvin the manticore, and Star Swirl the Bearded. It now stands abandoned and dilapidated, as much of it was destroyed during the battle between Celestia and Nightmare Moon.

Castle of the Two Sisters | My Little Pony Friendship is ...
One would assume that "long" in this context would mean at least one generation before, but in The Journal of the Two Sisters, all six founders of Equestria are still alive when they offer the crown to the alicorn sisters. On the other hand, that line could be interpreted as long before Celestia ruled alone, after taking care of the decidedly non-peaceful threats of Discord, Sombra, and Nightmare Moon.

Inspired by Celestia and Luna, the pony friends Princess Twilight Sparkle, Pinkie Pie, Rainbow Dash, Fluttershy, Rarity and Applejack share a diary of their own! Read their entries--as seen on the show--and then write some of your own friendship observations in the book, too!

Perfect for fans of Alafair Burke and Megan Collins, Sarah Warburton's debut novel that explores the dangerous bond between sisters. When her sister goes missing, Zoe assumes it's just another one of her estranged sibling's stunts--but the danger is all too real. Zoe Hallett and her sister, Ava, are the precocious offspring of two pioneering scientists, but the sisters have been estranged for years. When Zoe reads a news story about Ava's mysterious disappearance, she assumes it's just another of her sister's twisted fictions, designed to blame Zoe and destroy the peaceful life she's created with her husband and beautiful stepdaughter in Houston. But Zoe's email is hacked to send threatening messages to Ava--and a more sinister picture begins to emerge. Zoe returns to her home state of Virginia to prove her innocence to the authorities, to her parents, and to Glenn, her ex-boyfriend and current brother-in-law. For the first time, Zoe begins to believe Ava is in grave danger, and when Glenn catches her searching for clues in Ava's home, she looks guiltier than ever--but maybe Glenn is not all he seems. The clues Zoe finds point to a bizarre link between Ava's disappearance and her mother's "research". Is there a secret someone is trying to protect? And would someone be willing to kill to protect it? As her sister's life hangs in the balance, Zoe draws on hidden reserves of strength and hope to save the sister she never thought she loved.

The riveting story of two sisters' journey to the Islamic State and the father who tries to bring them home. ?sne Seierstad puts the problem of radicalization into painfully human terms, using instant messages and other primary sources to reconstruct a family's crisis from the inside. Eventually, she takes us into the hellscape of the Syrian civil war, as Sadiq risks his life in pursuit of his daughters, refusing to let them disappear into the maelstrom. This is a relentless thriller and a feat of reporting with profound lessons about belief, extremism, and the meaning of devotion.

An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly escaping the ever-present threats that loomed at every turn, the compelling events in Rena's Promise remind us that humanity and hope can survive inordinate brutality.

"Lindsay Harrel has penned a charming story that is sure to touch the hearts of her readers. Through the stories of Megan and her sister Crystal, readers get a glimpse of adventure, restoration, conquered fears, and realized dreams. Lindsay will no doubt win readers with this heartfelt story." —Lauren K. Denton, USA TODAY bestselling author of The Hideaway and Hurricane Season, on The Heart Between Us From award-winning author Lindsay Harrel comes a powerful story of adventure, healing, and learning how to live life to the fullest. Megan Jacobs always wished for a different heart. Her entire childhood was spent in and out of hospitals, sitting on the sidelines while her twin sister Crystal played all the sports, got all the guys, and had all the fun. But even a heart transplant three years ago wasn't enough to propel Megan's life forward. She's still working as a library aide and living with her parents in her small Minnesota hometown, dreaming of the adventure she plans to take "once she's well enough." Meanwhile, her sister is a successful architect with a handsome husband and the perfect life—or so Megan thinks. When her heart donor's parents give Megan their teenage daughter's journal—complete with an unfulfilled bucket list—Megan connects with the girl she meets between the pages and is inspired to venture out and check off each item. Caleb—a friend from her years in and out of the hospital—reenters her life and pushes her to find the courage to take the leap and begin her journey. She's thrown for a loop when Crystal offers to join her for reasons of her own, but she welcomes the company and the opportunity to mend their tenuous relationship. As Megan and Crystal check items off the bucket list, Megan fights the fears that have been instilled in her after a lifetime of illness. She must choose between safety and adventure and learn to embrace the heart she's been given so that she can finally share it with the people she loves most. "A sweet story of sisterhood, familial bonds, sacrificial love, and finding your own identity amidst the storms of life. Poignant with tender moments, as well as laughter, The Heart Between Us is a touching novel that is sure to please." —Catherine West, author of Where Hope Begins "I love this story of facing our fears. Harrel pens a clever, well-written love story between two sisters, the men in their lives and the dreams of a heart donor. Life is more f letting than we know, and this timeless story reminds us to love well." —Rachel Hauck, New York Times bestselling author, on The Heart Between Us "The Heart Between Us is an absolute gem of a story. The intriguing premise drew me in from the start, but it was the authentic characters and their relatable struggles that kept me reading. I especially loved getting to travel vicariously through Megan and Crystal! A heart-tugging, not-to-be-missed book from an author who belongs on your keeper shelf." —Melissa Tagg, author of the Walker Family series

The sharing of a sexual partner between relatives has always been taboo. In thisstunning work, anthropologist Françoise Héritier charts the incest prohibition throughout history,from the strict decrees of Leviticus to modern civil codes, and finds a secondary type of incest,which she calls the incest of two sisters. The term refers not to incest between two sisters, orbetween two sisters and their mother, but to a love triangle of sorts in which the transfer ofbodily fluids among sexual partners, two of whom are related to each other, creates undeniablebonds. Drawing on her field work in West African societies where the bans against two sisters areparticularly stringent and on various cultural practices (such as milk kinship), Héritier fashions acomplex "mechanics of fluids" in which blood, milk, and semen form the basis for kinship andprohibition. The intricate connections among the social, the natural, and the bodily emerge, fullyapparent, and kinship studies are seen in a new light, one that illuminates the primacy of thisymbolic.

An ancient prophecy divides two sisters- One good... One evil... Who will prevail? Twin sisters Lia and Alice Milthorpe have just become orphans. They have also become enemies. As they discover their roles in a prophecy that has turned generations of sisters against each other, the girls find themselves entangled in a mystery that involves a tattoo-like mark, their parents' deaths, a boy, a book, and a lifetime of secrets. Lia and Alice don't know whom they can trust. They just know they can't trust each other.
