BBC - Scotland's History - The Kingdom of the Picts

The Picts were a group of Celtic-speaking peoples who lived in what is today eastern and northern Scotland during the Late British Iron Age and Early Medieval periods. Where they lived and what their culture was like can be inferred from early medieval texts and Pictish stones. Their Latin name, Picti, appears in written records from Late Antiquity to the 10th century. They lived to the north of the rivers Forth and Clyde. Early medieval sources report the existence of a distinct Pictish languag

Picts - Wikipedia

Since 2012, the research team led by Professor Gordon Noble has been building a very different picture of the early societies of northern Britain given the name 'Picti' - meaning 'Painted Ones' - by the Romans, to that traditionally presented in history books. The Picts have long been regarded as a mysterious people, leaving behind little evidence of their presence other than their iconic carved stones and so their image in popular culture is of a wild warrior tribe of painted people.
