Path of Light provides a fresh, superb, and penetrating overview of A Course in Miracles (ACIM), encompassing what it is, how it was written, what it teaches, and, most of all, how to live it. Veteran Course teacher, Robert Perry, has written this innovative exploration for the full spectrum of potential readers, from those who are simply curious about ACIM to those who are experienced students. Perry writes in a clear, straightforward fashion, and, like a storyteller, he uses simple words to relay the deep truth of the teachings of ACIM. More challenging than popular self-help summaries, yet more practical and engaging than a scholarly analysis, Path of Light will provide a new standard of reference on the most remarkable spiritual teaching originating in modern times. This is a skillful and elegant presentation from the warm heart and brilliant mind of one of the most respected teachers of A Course in Miracles. A softly illuminated portal that ushers us into the boundless room of light that is 'A Course in Miracles.' (Hugh Frather)
