Toward a Translation Criticism John Donne - bol.com

Toward a Translation Criticism is divided into two separate but interlinked parts, each focused on one element of the ethics of translation: theory (reflection) and practice (experience). In the first part Berman presents what he calls a general "productive criticism," while in the second part he applies the general theoretical principles of this criticism to the analysis of the translations of John Donne's work into French and Spanish.

Description. Francoise Massardier-Kenney's translation of Antoine Berman's ""Toward a Translation Criticism"" makes available for the first time in the English-speaking world one of the twentieth-century's foundational texts in translation studies. Berman's book, published posthumously in France, develops an original concept of 'criticism of translation' and a methodology to anchor the practice of this criticism.
