Buy Training in Organizations: Needs Assessment, Development, and Evaluation 4th Revised edition by Goldstein, Irwin L. (ISBN: 9780534249854) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Training in Organizations: Needs Assessment, Development

This training needs assessment works best in small to mid-sized organizations. It will give you a quick assessment of the training needs of an employee group. In a larger organization, unless you work with subsets of employees, the challenge is more difficult. You wouldn't, for example, want 50 people in the room identifying their training needs.

How to Conduct a Simple Training Needs Assessment

Whenever training programs have to be conducted, there needs to be an assessment of the training needs which needs to preclude everything else. Assessment of the training needs should be done in an elaborate and methodical manner and should be comprehensive. Before we discuss how training needs are to be assessed, we need to understand what training needs are. To start with, employees in any organization often have to upgrade their skills or learn new skills to remain competitive on the job.
