Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker book includes everything you need to create twelve vibrant, full-color paintings. The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a painting come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker: Music Icons brings us face-to-face with Elvis, The Beatles, Beyoncé, David Bowie, Cher, Prince, Michael Jackson, Kurt Cobain, Madonna, Nina Simone, Dolly Parton, and "Weird Al" Yankovic.

This warm, beautiful collection captures the awkward, unusual, and utterly adorable antics of William

Wegman's famous dogs as puppies. Color photos throughout.

A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, *I Adulted!* is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.

current age of prestige television, paving the way for such giants as *Mad Men*, *The Wire*, *Breaking Bad*, and *Game of Thrones*. As TV critics for Tony Soprano's hometown paper, New Jersey's *The Star-Ledger*, Alan Sepinwall and Matt Zoller Seitz were among the first to write about the series before it became a cultural phenomenon. To celebrate the 20th anniversary of the show's debut, Sepinwall and Seitz have reunited to produce *The Sopranos Sessions*, a collection of recaps, conversations, and critical essays covering every episode. Featuring a series of new long-form interviews with series creator David Chase, as well as selections from the authors' archival writing on the series, *The Sopranos Sessions* explores the show's artistry, themes, and legacy, examining its portrayal of Italian Americans, its graphic depictions of violence, and its deep connections to other cinematic and television classics.
