The History and Importance of Women's Literature

Depiction of women in literature through ages. 23 Nov 2017. 23 Nov 2017. Raihanul Islam. Literature has witnessed the roles of women evolving through ages, but until recent times, most of the published writers were men and the portrayal of women in literature was without doubt biased. A lot of it has to be blamed on the fact that in the ancient world, literacy was strictly limited, and the majority of those who could write were male.
