A world literature class may be the first place that some students have encountered European works, let alone non-Western texts. The emphasis in this anthology, therefore, is on non-Western and European works, with only the British authors who were the most influential to European and non-Western authors (such as Shakespeare, whose works have influenced authors around the world to the present day).

The Norton Anthology of World Literature by
Martin Puchner

World literature is used to refer to the
total of the world's national literature and
the circulation of works into the wider world
beyond their country of origin. In the past,
it primarily referred to the masterpieces of
